

For the attention of years 3 and 4 parents

September 10th 2020

Annwyl riant,

Dear Parent,

Our theme this term is 'Myself'. We will be concentrating on the human body and keeping ourselves safe and healthy. During the theme, the children will have opportunities to take part in a variety of practical activities within their work. We will be learning about healthy food and the human body, whilst looking specifically at the history of Betsi Cadwaladr, Luis Braille and Martin Luther King. We will also be looking at our local community and how to keep safe online.

We are keen for parents to work together in order to collect ideas electronically, using the programme 'Padlet'. In order to gain access to the ideas board, you will need to scan the QR code below or copy the link. All ideas will be displayed on the same sheet. You do not need to register to use this programme.

Suitable clothing for Physical Education is required on Wednesdays. During this period the pupils are welcome to keep their kit in a separate bag on the peg in the changing rooms.

Homework will be set on the Google Classroom platform on Friday to be presented no later than Wednesday.

Thank you for your contribution,

Mrs Heather Williams

Years 3 and 4 teacher
