Dear Parent/Guardian,

After a discussion with the class, next term (Summer 2025) we are focusing on the theme 'At the Seaside.'

Work on the theme will begin by reading the book 'Who Swallowed Stanley?'

During the theme pupils will have the opportunity to:

- visit a local beach
- create a piece of art with shells and sea glass
- learn about sea creatures
- learn about how to protect the sea
- understand the dangers of the sea when swimming and playing and sun safety
- compare beaches on Anglesey
- identify the lighthouses of Anglesey
- experiment with objects that float and sink
- STEM activities creating a boat out of recycled materials and a lighthouse

We ask that you discuss the theme with your child and complete the questionnaire below with your ideas and comments.
